<https://play.google.com/store/apps/details?id=com.moodle.moodlemobile&hl=en>
2. Type Moodle Moibile
3. Install the app
4. You will get the icon of moodle mobile

Enter the site address as moodle.aud.ac.in and click connect

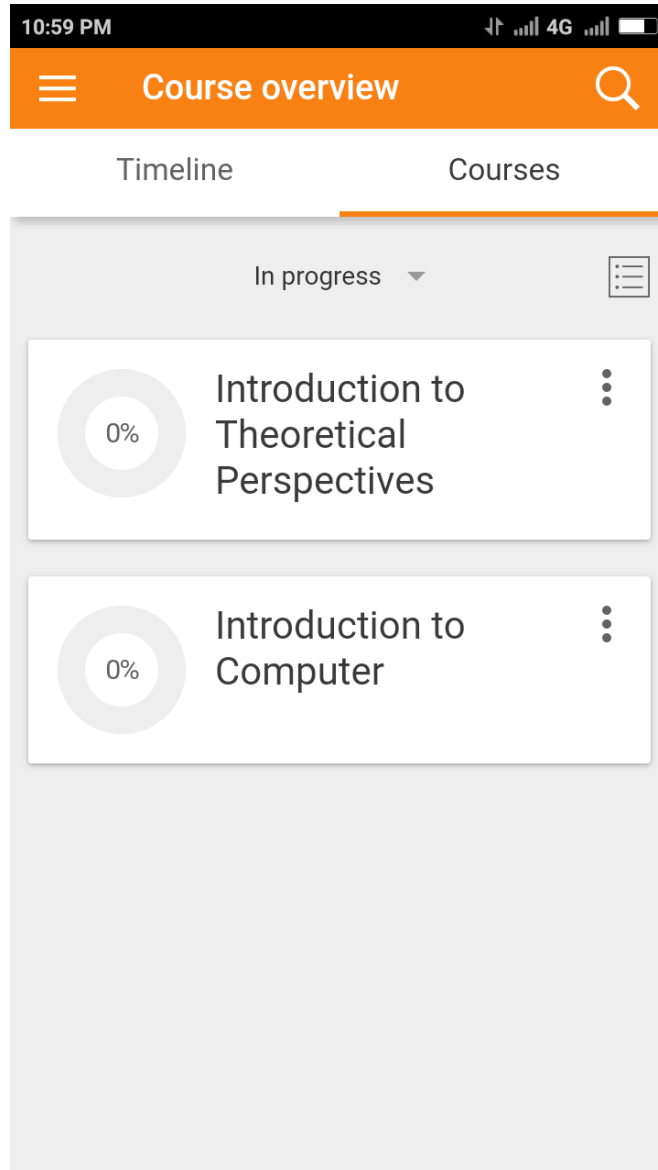

Enter provided username and password, click Log in

The image shows a mobile application interface for the AUD Learning Management System. At the top, there is a black status bar with the time "10:58 PM", signal strength, "4G", and battery level. Below this is an orange header bar with a white back arrow and the text "Log in". The main content area is white and contains the following elements: a logo of a tree with a person inside, followed by the text "AUD LEARNING MANAGMENT PORTAL" (note the typo); "AUD Learning Management System"; the URL "http://moodle.aud.ac.in/"; a text input field labeled "Username"; a text input field labeled "Password" with a blue eye icon to its right; and a large blue button with the text "Log in".

Your enrolled courses will appear on mobile

Now you will be able to access all course content on android app
